MEMORANDUM FOR: Deputy Director (Support)

25X1A9a

SUBJECT: Privately-owned Property Claim - [REDACTED]

25X1A

1. This memorandum contains a recommendation for approval. Such recommendation is contained in paragraph 4.

2. In accordance with the provisions of [REDACTED] the attached claim for reimbursement in the amount of \$156.00 for estimated repairs to a privately-owned automobile was considered by the Headquarters Board of Survey at meetings held on 16 February and 17 May 1956. The vehicle, a 1954 Ford sedan, was damaged during shipment by the [REDACTED] to claimant's base, [REDACTED]. Damages are attributed to [REDACTED] handling during the period 31 May-29 July 1955, between the San Francisco port of loading and unloading at [REDACTED]. Temporary repairs were made. Claimant is precluded by base instructions from filing a claim [REDACTED].

3. The Board previously deferred action, pending information that vehicle was subsequently repaired on the base, and receipt for repair. Claimant, thereafter, forwarded a statement indicating repairs cannot be suitably accomplished until his return to the United States. The parts, listed in the Base Transportation Officer's estimate, and trained mechanics, are not available at claimant's base.

4. Subsequent to review and deliberation of the evidence presented, the Headquarters Board of Survey finds the amount claimed a fair estimate of repair and unanimously recommends approval of reimbursement to the claimant in the amount of \$156.00.

5. All requirements for the submission of a claim under Regulation [REDACTED] have been properly fulfilled by the claimant.

6. In view of the security factors incident to subject individual's assignment in the field station, it is necessary that any reimbursement on claim be made from Confidential Funds.
